

The Clearwater Bay Golf & Country Club HONG KONG

Our club mission is "To provide premier Golf, Yachting, Recreation and Dining services in a friendly manner that exceeds the expectations of members, guests and visitors always."

Tucked away on the outskirts of Hong Kong, yet easily accessible from all areas of the city, The Clearwater Bay Golf & Country Club is blessed with a stunning environment that is removed from the hustle and bustle of city life. We have comprehensive sports and recreational facilities. We also offer venues for dining, weddings and functions for members.

Justin Rose, 2016 Olympic Gold Medalist once praised the Club "The Pebble Beach of Asia" as he visited Clearwater Bay previously. Divided into the "Highland Nine" and the "Ocean Nine", the Clearwater Bay golf course commands a breathtaking backdrop formed by green hills, distant islands and the South China Sea dotted with yachts and junks. The signature hole, number three, has been awarded as one of the 500 Best Holes in the World.

The Marina self-contained with 300 wet berths and a weatherproof dry stack boatel for 120 craft. We offer a secluded grotto area which is ideal for a family picnic. We also provide a substantial marina lawn area for members and guest activities, making it a perfect spot for family outdoor events.
