

## Academy Course Information to Visitors

### **History:**

The Academy Course was renovated and opened in 2016. In fact, the Course opened at the same time as the Brazil Olympics were being staged and to honour the Olympics, the 3 sets of tees were colour coded as Gold, Silver and Bronze in order to represent the Medals given out to the first three places of each-and-every event.

This 6-hole Golf Course can play up to 18 holes with different lengths on each hole and as you will witness, this golf course has incredibly spectacular views and the #2 hole (named Cliff Hanger) is considered the signature hole. It provides a breathtaking clifftop view of the South China Sea and if you write down a 3 on your scorecard, you have done yourself proud.

### **Booking Procedures:**
