Online Booking with Mobile App

### Step 1 : Download ClubCentral by ForeTees :

Search "Foretees" or "Club Central" within the App Store (Apple Devices) or Google Play Store (Android Devices).

Each device requires a unique Username/Password.

(Please ensure to allow Push Notifications)

Step 2 : Capture Username/Password

Have your device handy and access ForeTees (from a Computer), Navigate to the "Settings" tab, scroll down to select "Generate Password", input these credentials to your mobile device.

Mobile Device Setup (ClubCentral App):
This section allows you to setup your ForeTees 'ClubCentral' App on your various mobile devices. **Each device will require a separate and unique password for the one time setup.** Once you have installed the app on your mobile device, and the app prompts you to login, use the 'Generate Password' button below to obtain your login credentials. Each password will be valid for 60 minutes. If you do not login into the app within 60 minutes, you must generate a new password.

New Device Setup:
Generate Password

When prompted by the ForeTees App, enter the login credentials displayed above. The letters can be entered in upper or lower case.
